The Lost Books of the Bible and the Forgotten Books of Eden [2015 New Edition]

Suppressed by the early Church fathers who compiled the Bible these Apocryphal Books have for centuries been shrouded in silence. But now the reader can discover the hidden beauties of the Lost Books. To be found in this volume are the Apostles' Creed, the Psalms and Odes of Solomon, and other Apocryphal writings that have become part of our religious heritage. The story of Joseph and Potiphar's wife, of Adam and Eve, of the girlhood and betrothal of Mary, of the childhood of Jesus, are here in all warmth intimacy and humanity of their first telling. "Christ was the joyous boy of the fields. We are not permitted to think that the shadows of Calvary darkened His pathway as a youth, and the Apocryphal Books of The New Testament show a great deal of the early life of Christ not to be found in the four Evangelists." The entire book has been digitally enhanced page by page on excellent quality [heavier] paper... never newsprint or yellowing thinner stock that fades and turns darker or more yellow with age. We want the reader to be able to add this to their library for years as a reference tool.... So our goal was to give the reader the best quality book out there on this subject. Excellent read - excellent quality. Paperback 570 pages
