A Biographical Dictionary of Dissenting Economists Philip Arestis, Malcolm C. Sawyer

An extensive guide to economists both past and present which provides biographical, bibliographical and critical information on over 1000 economists working in the non-neo-classical tradition, broadly defined. It includes entries on radical economists, Marxists, post-Keynesians, Kaleckians, behaviouralists and institutionalists. The book demonstrates the extent and richness of the radical non-orthodox tradition in economics. The economists were themselves asked to state their principal contributions to economics, supplemented by a list of their leading books and articles.
