Big Bad Love Larry Brown

Larry Brown's highly praised novel **Dirty Work** established him as one of the fiercest and most powerful new voices in Southern literature, a writer who understands the sorrows and joys of everyday life. That same compassionate regard for ordinary people shines on every page of **Big Bad Love**, whose heroes in these stories have a fatal weakness for beer, fast women, and pick-up trucks, and who find a kind of salvation in the reckless pursuit of love.
