Mean Girls All Grown Up: Surviving Catty and Conniving Women Hayley DiMarco

Mean girls don't stay in high school forever. They're at college, at work, and even at church. The hurt from gossip, insults, and cutthroat competition doesn't stop after high school, either. In fact, the kind of meanness experienced by adult women can cut to the core just as quick, if not quicker, than it did when they were teenagers. Because teens aren't the only ones struggling with mean girls, popular author Hayley DiMarco now offers a book that will help women of all ages get rid of mean. In *Mean Girls All Grown Up*, she helps women deal with the mean of their past, understand the different kinds of mean, realize the beauty of positive friendships with other women, and much more. Quizzes, Bible verses, and inspirational quotes will have women looking at themselves and each other in a whole new light.
