Stories of hope and recovery from a nation of parents of autistic children, by the high-profile, bestselling author of *Louder Than Words*. When Jenny McCarthy published *Louder Than Words*, the story of her successful efforts to save her son, Evan, from autism, the response was tremendous. It hit #3 on the New York Times bestseller list; and Jenny and Evan were featured on the covers of several magazines, including *People*. But what she hadn't anticipated was the overwhelming response from other parents of autistic children, who sought her out to share their stories. No two autistic children heal in exactly the same way. And in her new book, Jenny expands her message to share recovery stories from parents across the country. *Mother Warriors*, shows how each parent fought to find her own child's perfect "remedy of interventions" and teaches parents how to navigate safely through the many autism therapies. Along the way, Jenny shares her own journey as an autism advocate and mother as well as the progress of her son, Evan. Emotional and genuinely practical, *Mother Warriors* will inspire a generation of parents with hope.
