The New Pastor's Handbook: Help and Encouragement for the First Years of Ministry Jason Helopoulos

Most seminary graduates will begin their ministries with plenty of important head knowledge to share--but with a deficit of some of the most practical aspects of doing ministry, such as

- which ministry role most suits them
- how to start out strong at a new church
- persevering during difficult seasons of ministry
- leading meetings and delegating tasks
- safeguarding their family
- fighting discouragement, pastor envy, and a lack of contentment
- navigating special ministry needs, such as hospitals, weddings, and funerals
- and much more

Through his hard-won wisdom, Jason Helopoulos comes alongside new pastors as a trusted friend and mentor, ready to guide them through their first years of ministry with intelligence and compassion.
