**The only management book you will ever need (Volume 1)** Mr Jonathan Senior CMgr M

"The only management book you will ever need to read" is a MASSIVE collection of blog posts covering everything from management on TV, management theory, how to guides and much more. It doesn't matter if you are a head of a large corporation or a management student – you will find a wealth of information between these pages. Despite being 544 pages - This is NOT a boring text book – Sometimes funny, sometimes deadly serious, this book will give you plenty to think about. It is a book you will want to put on your shelf go back to again and again for reference. All items appeared as blog posts and they are logically grouped in date order. There are chapters to ponder on, questions that don't have an answer, answers to questions that don't exist. With links to items of interest and the print easily spaced so you can even use it as your own text book. You will see how award winning manager Jonathan Senior moves his thinking along over a number of years and how the world has changed.
