On the anniversary of his beloved wife's death, Dr. Michael Everett receives a letter Hannah had written him.

In it she reminds him of her love and makes one final request. *An impossible request. I want you to marry again.* She tells him he shouldn't spend the years he has left grieving—and she's chosen three women she asks him to consider.

First on Hannah's list is her cousin, Winter Adams, a chef who owns a café on Seattle's Blossom Street. The second is Leanne Lancaster, Hannah's oncology nurse. Michael knows them both. But the third name is one he's not familiar with—Macy Roth.

During the months that follow, he spends time with these three women, learning more about each of them...and about himself. Learning what Hannah already knew. He's a man who needs the completeness only love can offer. And Hannah's list leads him to the woman who can help him find it.
