The History of Java (Volume Book 2) Sir Thomas Stamford Raffles

In the early part of the 19th Century, Sir Stamford Raffles was the first and only British Governor General of the Dutch East Indies, before handing the colony back to the Dutch, after the Napoleonic Wars ended in Europe.

During this period he discovered the vast beauty and charm of this mystical land, and wrote, "The History of Java," which is published in two parts. This edition is the second part of the completed work by Sir Stamford Raffles.

Enjoy the "History of Java," with one curious footnote that. history can repeat itself, as it did almost 145 years later, with the brief return of a British Governor General.
