Stephanie has always had a crush on Mr. Miller, her best friend's sexy father. He's always been there for her, treating her so much better than any guy she knows. She just knows that his **maturity and experience** would make her **first time** amazing... even if she feels guilty for thinking that way. When he asks her to babysit for him one night, she figures it'd be a good chance to show just how grown up she's become.

Aaron Miller has done his best for Stephanie after her deadbeat dad too off. He's noticed her body has grown some **curves** lately, but he's too respected to try anything. But when the naughty young lady gets caught snooping through his things, she's willing to do anything to keep his silence, **hard and without protection!**
