Talking to Youth about Sexuality: A Parents' Guide John V. Sheridan

Education in human sexuality demands that our children know the facts of life. But even more important, it is crucial that our children are given a faith-filled and morally correct context in order to make sense of all the issues connected with human sexuality.

Developed with parents, doctors, educators, and catechists, this valuable guide--a consistent best-seller--is your practical resource for answering questions and encouraging meaningful conversations with your child. It will help you convey the beauty and dignity of human sexuality and the value of self-discipline, purity, and chastity.
