The Subterraneans (RSMediaItalia Modern Classics Illustrated Edition) Jack Kerouac

The Subterraneans is a 1958 novella by Beat Generation author Jack Kerouac. It is a semi-fictional account of his short romance with a black woman named Alene Lee (1931-1991) in San Francisco, 1953. In the novel she is renamed "Mardou Fox," and described as a carefree spirit who frequents the jazz clubs and bars of the budding Beat scene of San Francisco. Other well-known personalities and friends from the author's life also appear thinly disguised in the novel. The character Frank Carmody is based on William Burroughs, and Adam Moorad on Allen Ginsberg. Even Gore Vidal appears as successful novelist Arial Lavalina. Kerouac's alter ego is named Leo Percepied, and his long-time friend Neal Cassady is mentioned only in passing as Leroy.
