**T'was the Night of Zombies Before Christmas: a cautionary tale for Bad little girls and boys** Alex Willis

A Visit from St. Nicholas can never be thought of the same after reading the Zombie take on the classic Christmas tale. In this retelling, a family comes face to face with a zombie Claus. This is not really a book for children, just adults who still think like children. As a bonus, we've added the tale of The Zombie Elf on the Shelf. Look for him in the first story. Two zombie holiday tales for the price of one!
