Effortlessly read and influence your boss's and customers' true thoughts and intentions!

Announcing the fastest path to unprecedented business growth

For 25 years, Joe Navarro interrogated career criminals, terrorists, and witnesses for the FBI. As a former agent in counterintelligence working with the most deceptive and untrustworthy people on earth, getting to the truth was a matter of life or death.

What worked best for him was using body language and nonverbal cues to magically influence his clients. By wielding this awesome power, Joe was able to extract the exact information he needed to get to the truth and keep America safe.

And if it's potent enough for the FBI, it's more than powerful enough to enable you to command a presence in your own business. To influence colleagues, customers, and vendors. And to achieve the tangible results you want to ensure profitability and long-term growth.

Introducing Joe Navarro's newest program: Your Hidden Power: Using Nonverbal Intelligence to Propel Your Business or Career to Excellence.

Throughout four CDs and a DVD featuring an eye-opening Question and Answer session, Joe personally teaches you how to master nonverbal intelligence, the ability to interpret and use nonverbal signals-in poker terms, "tells"-in business to assess and influence others.
