Complete Bible Commentary: (Fully Formatted For E-Readers) John Wesley

John Wesley's Complete Bible Commentary is made up of the Explanatory Notes Upon The Old Testament and Upon The New.

John Wesley's explanatory notes on the Old Testament were written several years after his notes on the New Testament, and are based on the earlier works of Matthew Henry's 'Exposition of the Old and New Testaments', and Matthew Poole's 'English Annotations on the Holy Bible'. Extracts from both of these works are paraphrased and abridged by Wesley for the Explanatory Notes on the Old Testament, unlike the Explanatory Notes on the New Testament, which were entirely of his own composition.

The Notes Upon The New Testament is considered to be one of John Wesley's principal works, and its readability, influence and popularity has remained since the time of its publication until today.

First printed in 1755 by William Bowyer, John Wesley's Notes Upon The New Testament were entirely his own work, written during a period of illness which forced him to abandon his usual routine of travel and preaching. He would write from 5 am - 9 pm every day, unless he was riding, eating, or taking his personal devotion time (5 - 6 pm each evening). Charles Wesley assisted in some ways, including his translations of the gospels and in other unspecified ways. Wesley cites his influences for the New Testament Notes as the Gnomon Novi Testamenti of Bengel, the Paraphrase of Dr Guyse, the Theological Lectures of Dr Heylin and the Family Expositor of Dr Doddridge. The fourth and fifth editions of the Notes contained corrections by John & Charles Wesley and others.

This edition features active table of contents and sub-menus optimized for e-readers, for ease of navigation to the specific book and chapter required.

This is a very large book, please be patient when downloading.
