The Fifty Shades of Grey trilogy is set in the beautiful Pacific Northwest cities of Portland, Oregon, and Seattle, Washington. When Universal made the first movie, filming was primarily done in Vancouver B.C., with secondary scenery filmed in Seattle, Washington. This book takes you to locations in all three cities, visiting sites from the books and movie filming. It leads you to real life and fictional places from the story, and their movie-magic stand-ins. It also includes links to Google Maps of the cities with marked locations. I hope you have a fun time visiting the places featured in the books, and seeing how they became new locations for the movie.
