A dying mother knows that her young child is among the few immune to the virus. What will she do to ensure his survival before her own coming tragic death? Meanwhile, Graham has buried his last remaining family member. Following his father's advice to make it to the family cabin, he meets with triumph and tragedy; learning new rules along the way. Just when he thinks he's finally got a handle on this new world, he's taken by surprise, as he learns he's not alone. A hidden yet vulnerable community of Preppers are nearby. Will he find the strength to escape these dangers and go on living? And more importantly, will he have the ability to protect those he's come to trust?
