The HESI A2 test is often taken three times: as an entrance examination to an accredited nursing program, midway through the academic program, usually in junior year and as an exit examination at the conclusion of training in preparation for taking the NCLEX certification examination. Based on content outline from Health Education System, Inc (HESI). Questions are Situational and Complex. No Easy Questions, NO True/False Questions, NO Questions outside of the HESI exam requirements. "Two Timers®" with on/off functions! 4 hours total exam timer built in. Display the answers after each question OR all answers at the end of the exam. Detailed Rationale Included. Mark question for Review Feature. Software grades your final score with pass of pass 80% or better. No internet connection required to access exams. Practicing on the computer in a similar way it will officially be presented. Our software can be used on multiple computers. Our Software never expires.
