The Genocide Studies Reader

The Genocide Studies Reader

This thorough overview of all aspects of the field of genocide studies brings together for the first time classic and contemporary writings from some of the most noted scholars writing on genocide in the fields of genocide studies, political science, history, and sociology. The *Reader* covers key aspects of a host of complex and thorny issues, such as the definition of genocide, theories of genocide, prevention and intervention, and its denial. This collection of writings is essential reading for anyone who wants to understand this most atrocious form of political violence that has plagued human history.
