As a professional animal psychic, Amelia Kinkade helps clients locate lost pets, diagnose baffling behavior, and further explore the indelible bond that exists between people and their animal companions. But her real mission is to convince people that, with the proper dedication, training, and understanding, everyone can do what she does. Here, she explains the subtle cues that form the foundation of animal communication, and provides guided exercises that allow readers to explore these cues for themselves. With gentle encouragement, she shows how to look for communications typically drowned out in the noise and chaos of modern life, whether they take the form of clairaudience or clairvoyance. Filled with amazing stories, *The Language of Miracles* inspires readers to sit down with the animals in their lives and explore the unspoken world between them.
