Handbook of the Life Course (Handbooks of Sociology and Social Research)

Handbook of the Life Course (Handbooks of Sociology and Social Research)

This comprehensive handbook provides an overview of key theoretical perspectives, concepts, and methodological approaches that, while applied to diverse phenomena, are united in their general approach to the study of lives across age phases. In surveying the wide terrain of life course studies with dual emphases on theory and empirical research, this important reference work presents probative concepts and methods and identifies promising avenues for future research.
