The Palestinian Syriac Lectionary of the Gospels (Gorgias Theological Library)

Margaret Gibson, Agnes Lewis

The Palestinian Syriac Lectionary of the Gospels (Gorgias Theological Library) Margaret Gibson, Agnes Lewis

The work of the remarkable sisters Agnes Smith Lewis and Margaret Dunlop Gibson, this lectionary of what is now known as Christian Palestinian Aramaic, was re-edited in the light of two manuscripts from the Sinai, which they recovered, and from Paul de Lagarde's *Evangeliarium Hierosolymitanum*. An important document for the textual criticism of the New Testament as well as for the early practice of the church, Lewis and Dunlap added to its value by composing this light "critical edition." Presented in Syriac with English annotations to the Greek text of the Gospels, this useful study will be welcome by New Testament scholars and Syriac scholars alike.
